

PIRA, the definitive charcoal ovens company.

# Pira, a new star's light appears

Dear customers,

We have the pleasure to announce that in April 2014, has appeared into the market.

## PIRA CHARCOAL OVENS AND BARBECUES, S.L.

For over 20 years we have been producing coal ovens and barbecues for other companies worldwide. Now we start a new period. The PIRA brand is born!

The responsibility that represents the image of our brand is the maximum compromise on quality of our products and services.

PIRA, the AUTHENTIC and REAL PRODUCER bet for introduce its products to the market under its own brand and sell its products directly to the professional distributors.

PIRA, from the beginning of its appearance into the market will launch regularly new products and endings.

PIRA, offers at its customers the possibility to customize the charcoal ovens, the charcoal barbecues or others products of its catalogue

PIRA, in definitive, and as the AUTHENTIC SPECIALIST PRODUCER, can produce and make reality, with the "highest professional product" any new design or idea that the professional restorer could need for its business. **The brand of the GENUINE**

**PRODUCER, will give you solution and answers at all your customer's necessities.**

We hope, in this new era, carry on enjoying your confidence.
